

## Field Information for the Tektronix Soccer Field

A big “thank you” to Tektronix for allowing us to use their soccer field this season! The field is located within the Tektronix campus (13975 Southwest Karl Braun Drive, Beaverton, OR, 97005), near the Cedar Hills Crossing mall. All they have asked is that we observe a few simple policies when we use the field. Please make sure that all players, parents, and coaches observe the following:

- **Parking is allowed ONLY in the lot North of building 38** (see map below) which is at the corner of Zworykin and Terman. Parking in any other location may result in towing/impound.
- **Do NOT use the parking lot next to building 48**, even for drop-off and pick-up; that lot belongs to Comcast and we are not allowed to use it.
- No chairs on the turf
- Absolutely no pets on the field or campus
- Make sure all garbage is cleaned off the field after you're finished, even if it isn't yours
- HAVE FUN and thanks for respecting TEK's policies!!!
- If you have any issues/questions regarding use of the field, please contact Milltown at milltownregistrar@gmail.com
