SPORTS DEPARTMENT MISSION STATEMENT

Tualatin Hills Park & Recreation District's Sports Department is committed to enhancing the quality of life for all its participants. The programs strive to establish a safe and caring environment that allows for individual and social growth by providing and facilitating positive fun and educational opportunities organized with responsible leadership.

**SOCCER FIELD ASSIGNMENTS
REGULATIONS / OBLIGATIONS / STIPULATIONS**

THPRD provides the goal nets for the Rec Center, Conestoga turf and Mt View Champions fields only.

Teams provide their own nets for games off the Rec Center, Conestoga turf and Mt View Champions fields. Do not use metal stakes.

Teams provide their own corner flags for all games.

Coaches, players and spectators must park in the designated parking lot or areas, pick up their trash before leaving the field and use the provided portable toilets.

Please display good sportsmanship behavior and respect the property of nearby neighbors and be neighbor courteous.

Team manager/coach must have this permit on location and present upon request.

Unauthorized solicitation of food and/or beverages prohibited.

No use of alcoholic beverages on THPRD and BSD properties.

If the field is too wet, unsafe or unplayable, please do not use the field. Use your good judgment and preserve the fields.

Non-compliance of the above regulations, obligations and stipulations may result in the field permits being revoked and can effect future field use requests.

THPRD Sports Grass Fields

Inclement Weather Guidelines

The following guidelines for inclement weather on Sports fields applies to all fields owned and maintained by THPRD. These fields include BSD property, THPRD property and covers fields sports Football, Soccer, Lacrosse, Baseball, Softball, Cricket and Rugby.

These guidelines are intended for use as a guide for coaches and field coordinators; they do not cover all situations.

To a large extent judgment is the primary determining factor to be considered, if it's not safe for the kids or can cause damage to the field then it's probably not a good idea to play.

Fields are considered closed to play under the following conditions:

There has been one inch, or more, rain in the proceeding 12 hours.

Outside air temperature is 32 degrees or lower.

Ice, snow, frost or slush is present on the playing surface.

Upon stepping on the playing surface, water either shoots up from the ground or is present around your foot.

The ground is wet enough that a foot sinks into the turf or leaves a print.

Visible bodies of surface water are present on the field.

The above conditions will result in significant damage, or lasting damage, that is time consuming to repair and can jeopardize future use of that field.

Fields may be closed if the following conditions are present:

Significant rainfall the day of the use.

Rain following cold temperatures. (Can create slow drainage.)

Slick mud resulting from over use.

Foot prints on the field that hold water.

Wet turf that could be damaged from play.

Significant turf loss due to weather, use, lack of water or soil compaction.

Please forward this document to your associations coaches and field coordinators. Their cooperation in following these guidelines will be key to preserving our fields in a safe and playable condition

Warning: Ignoring poor field conditions, and inclement weather advisories will result in fields being removed from use for an extended amount of time.

THPRD Sports Synthetic Turf Field

SYNTHETIC FIELD REGULATIONS

Metal Cleats are NOT Allowed

THE FOLLOWING PRODUCTS OR ACTIVITIES ARE PROHIBITED

INSIDE THE FENCED AREA OF SYNTHETIC FIELD #1 & #2, PCC- RC #1 & #2, CONESTOGA TURF, MT VIEW CHAMPIONS PARK, FANNO CREEK SERVICE CENTER & HIGH SCHOOL SYNTHETIC FIELDS

No Food

Littering

Gum and Candy

Tobacco Products (including chewing tobacco)

Alcohol

Sun Flower Seeds or Shelled Peanuts

Golfing

Bicycling

Batting Practice

Animals on playing surface

No climbing the fences

Intentional kicking into fences

Please keep Liquids other than Water off the Field Surface

Thank You for Your Cooperation

Inclement Weather Guidelines

The following guidelines for inclement weather on Synthetic Turf fields applies to HMT Recreation Complex Fields #1 and #2, PCC Rock Creek Recreation Complex Field #1 and #2, Conestoga Turf, Mt View Champions Park, FCSC as well as all five Beaverton School District High School Synthetic Turf Fields. These guidelines covers fields sports Football, Soccer, Lacrosse, Baseball, Softball, Cricket and Rugby.

These guidelines are intended for use as a guide for coaches and field coordinators; they do not cover all situations.

To a large extent judgment is the primary determining factor to be considered, if it's not safe for the kids or can cause damage to the field then it's probably not a good idea to play.

Fields are considered closed to play under the following conditions:

Outside air temperature is 32 degrees or lower following significant rainfall rain in the proceeding 2 hours.

Significant rainfall following a period of weather where the temperature was 32 degrees or lower.

Ice, snow, frost or slush is present on the playing surface.

Visible bodies of surface water are present on the field.

The above conditions could produce an unsafe playing surface or result in significant damage, that is time consuming to repair and can jeopardize future use of that field.

Fields may be closed if the following conditions are present:

Rain following cold temperatures. (Can create slow drainage.)

Heavy frost present on the field.

THPRD Staff will update field coordinators no later 1:00pm if fields are closed or the possibility of a closure exists.

In cases of changes in the weather after 1:00pm, as much advanced notice as possible will be given.

** Should visible bodies of water be observed on any THPRD or BSD turf field, please notify THPRD immediately at 503-629-6330.

Please forward this document to your associations coaches and field coordinators. Their cooperation in following these guidelines will be key to preserving our fields in a safe and playable condition.

FROST Delay Start Policy
PCC/Rock Creek and HMT Grass Fields ONLY

- From October 15-November 30- first games can starts no earlier than 10:00a.m.

On rare occasions we may receive an unusual amount of rain in a short period of time. This could mean the fields drainage system may not be able to keep up. Please stay off of fields when multiple areas of standing water develop. Standing water is defined as 1 - 2 inches deep.
